| Sommario/riassunto      | This is a rich collection of fifteen articles by European, North American and Asian theologians who are concerned with the concept, life, unity and future of the church. It offers a wealth of broad perspectives on ecclesiology by scholars from Catholic, Protestant and Orthodox backgrounds. The first section, 'Perspectives on Ecumenical Ecclesiology', comprises reflections on postmodern ecclesiologies as well as on the development and problems concerning ecumenical methods and models of unity. The second section, 'Communion Ecclesiology and Otherness', provides some pertinent deliberations on |
