Sommario/riassunto	Opacity and the Closet interrogates the viability of the metaphor of "the closet" when applied to three important queer figures in postwar American and French culture: the philosopher Michel Foucault, the literary critic Roland Barthes, and the pop artist Andy Warhol. Nicholas de Villiers proposes a new approach to these cultural icons that accounts for the queerness of their works and public personas. Rather than reading their self-presentations as "closeted," de Villiers suggests that they invent and deploy productive strategies of "opacity" that resist the closet and the confessional discou
