Sommario/riassunto

In this original book, the author journeys through Rome, following biblical events and themes in works of art: from Genesis in the Sistine Chapel, through Incarnation in the Pantheon and Resurrection in Michaelangelo's Last Judgement. She touches on many themes in her journey, including violence and power (at the Colosseum), social injustice (at St. Mary Major) and motherhood (at the icon of Our Lady in Perpetual Succour). Writing as an intelligent Christian feminist, Beattie doesn't resort to clichés, and has a clear, elegant style which makes this a very readable book.
