Sommario/riassunto

India Migration Report 2014 is one of the first systematic studies on contribution of diasporas in development, in countries of origin as well as destination. This volume: examines how diasporic human and financial resources can be utilized for economic growth and sustainable development, especially in education and health; offers critical insights on migrant experiences, transnationalism and philanthropic networks, and indigenization and diaspora policies, as well as return of diasporas; and includes case studies on Indian migrants in the Gulf region - in particular, Bahrain, Oman and Saudi Arab
