Zwingli's Reformation Between Success and Failure; 10. One Epoch - Three Reformations; Publishing Information; Index of Persons; Index of Modern Authors; Index Verborum Latinorum
Sommario/riassunto	In this wide-ranging volume, Heiko A. Oberman traces threads of continuity flowing to and from the Reformation. The often denied and generally misunderstood ""continuities"" between theological directions of the later Middle Ages, the theological reformation of the early sixteenth century, and subsequent developments are constantly

illuminated through exacting detail and compelling insights.
