Sommario/riassunto	The life of Andre Stacey, a yes-man and pen-pusher is turned upside down when an anonymous tip-off forces him to examine the workings of his company, the behaviour of his colleagues and maybe most importantly, his own actions and aspirations. Should Andre be looking for the culprit or is there something much larger at stake? Where does the buck stop and is the "stop at nothing approach" of the enigmatic investigator Max de Gras always the best alternative? Andre's biggest supporter, John Thornbury-Steven, is the brains behind the phoenix-like revival of the N-Trex Corporation , . But what doe
