Sommario/riassunto	In Europe and around the world, social policies and welfare services have faced increasing pressure in recent years as a result of political, economic, and social changes. Just as Europe was a leader in the development of the welfare state and the supportive structures of corporatist politics from the 1920s onward, Europe in particular has experienced stresses from globalization and striking innovation in welfare policies. While debates in the United Kingdom, Germany, and France often attract wide international attention, smaller European countries-Belgium, Denmark, Austria, or Finland-are oft
