Sommario/riassunto	The Politics of Narcotic Drugs brings together leading experts on the drugs trade to provide an accessible yet detailed analysis of the multiple challenges that the contemporary trade in narcotic drugs and its prohibition pose, from the local to the international community. Through the use of country and regional case studies that include Afghanistan, Mexico, Colombia and the Middle East, the drivers of the

drugs trade and the security and development dilemmas created by the prohibition of narcotic substances are explored. Contributions that assess the international drug con
