Sommario/riassunto

This volume of ""Research in Social Movements, Conflicts and Change"" explores the important dimension of gender and how women are key contributors to conflict resolution, peace, and social movements throughout the world. Women's networks and their collective activism have increased social justice, peace, and reconciliation in communities. Grassroots initiatives from women groups have positively impacted relationships, peace processes, and peace treaties. The volume includes scholarly research that highlights women's activism in countries such as Sierra Leone, Liberia, El Salvador, Czech Repub
