Sommario/riassunto	In the 1990's, American civil society got upended and reordered as many social, cultural, political, and economic institutions were changed forever. Pretty People examines a wide range of Hollywood icons who reflect how stardom in that decade was transformed as the nation itself was signaling significant changes to familiar ideas about gender, race, ethnicity, age, class, sexuality, and nationality. Such actors as Denzel

Washington, Andy Garcia, Halle Berry, Angela Bassett, Will Smith, Jennifer Lopez, and Antonio Banderas became bona fide movie stars who carried major films to amazing box-office success. Five of the decade's top ten films were opened by three women—Julia Roberts, Jodie Foster, and Whoopi Goldberg. “Chick flick” entered the lexicon as Leonardo DiCaprio became the “King of the World,” ushering in the cult of the mega celebrity. Tom Hanks and Tom Cruise defined screen masculinity as stark contrasts between “the regular guy” and “the intense guy” while the roles of Michael Douglas exemplified the endangered “Average White Male.” A fascinating composite portrait of 1990's Hollywood and its stars, this collection marks the changes to stardom and society at century's end.
