A gender-sensitive governmentality approach; 3. The GRT in the international realm; 4. The GRT in Mexico; 5. The power technologies and subjectivities of the GRT in Mexico; 6. Resistance and empowerment within the GRT in Mexico; 7. Conclusion; Notes; Bibliography; Index Sommario/riassunto Over the last decade, a new phenomenon has emerged within the international community: the Global Remittances Trend (GRT). Thereby, government institutions, international (financial) organisations, NGOs and private sector actors have become interested in migration and remittances and their potential for poverty reduction and development, and have started to devise institutions and policies to harness this potential. This book employs a gender-sensitive governmentality analysis to trace the emergence of the GRT, to map its conceptual and

institutional elements, and to examine it
