The Dilemmas of Regional Integration for Brazil; Chapter 07. Two Contrasting Types of Autonomy; General Conclusions; Bibliography; Appendixes; Index; About the Authors
Sommario/riassunto	Brazilian Foreign Policy in Changing Times contributes both empirically and theoretically to the study of international relations. The book illuminates Brazilian foreign policy in the democratic era, a subject scarcely touched on elsewhere. This book also offers a new conceptualization of the debate on the path to an autonomous foreign policy.
