Sommario/riassunto

"This guide is a vital tool for effective use of the recently released
MMPI-2-RF. Yossef S. Ben-Porath, a leading expert on the MMPI
instruments, provides detailed descriptions of the scales of the test,
tables with interpretive recommendations for each scale, and an
abundance of illustrative cases from a wide variety of settings,
including forensic (criminal and civil), medical, and personnel
screening. A comprehensive reference for users of the new test, this
book sets the standard for interpretation of, and instruction on, the
MMPI-2-RF"--Provided by publisher.
