Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Introductory overview -- pt. 2. Biblical studies -- pt. 3. Historical studies -- pt. 4. Systematic studies -- pt. 5. Conclusions.
Sommario/riassunto	How does religion cope with changing situations? Are orthodoxy and liberalism really competing strategies? The essays in this volume argue three views. (1)Orthodoxy is not to be seen as the real and original form of a given religion, but as an idealized original form that should be construed as a construction in reaction to changes in time. (2) Over the ages, liberalism – despite its laudable strive for adaptation – has been less successful than generally assumed. This lesson from history can be quite important in view of the adaptation processes for Muslims in Western Europe. (3) Of great importance for the survival of religion seems to be a clear definition of the boundaries of religiously informed practices and ethics. Their recognisability and authenticity shall – when

combined with a due lack of obtrusion – be of great influence for the ongoing acceptance of religion(s) in the public domain.

2. Record Nr.	UNINA9910451152503321
Titolo	A companion to John Wyclif [[electronic resource] ] : late medieval theologian / / edited by Ian Christopher Levy

Sommario/riassunto	The Companion to John Wyclif contains eight substantial essays covering the central aspects of John Wyclif's life and thought. The volume's authors have drawn on an extensive amount of primary material, as well as the most recent secondary sources, so as to present

a comprehensive picture of Wyclif in his times. Topics covered include a detailed life and career of Wyclif, and close analyses of his logic and metaphysics; doctrine of the Trinity and Christology; political views; Christian life and piety; sacraments; the Bible; and an examination of his medieval opponents. Experts and students alike will profit from these in-depth studies all of which provide a view of Wyclif in his late medieval context. For those not already familiar with Wyclif this volume will serve as an excellent introduction; and those with greater expertise will find fresh appraisals which may, in turn, lead to further research.
