Sommario/riassunto	For the past 20 years, corporations have been receiving huge tax breaks and subsidies in the name of ""jobs, jobs, jobs."" But, as Greg LeRoy demonstrates in this important new book, it's become a costly scam. Playing states and communities off against each other in a bidding war for jobs, corporations reduce their taxes to next-to-

nothing and win subsidy packages that routinely exceed 100,000 per job. But the subsidies come with few strings attached. So companies feel free to provide fewer jobs, or none at all, or even outsource and lay people off. They are also free to pay poverty wages with
