Sommario/riassunto

The twentieth century was a time of unprecedented migration and interaction for Asian, Latin American, and Pacific Islander cultures in the Americas and the American Pacific. Some of these ethnic groups already had historic ties, but technology, migration, and globalization during the twentieth century brought them into even closer contact. Transnational Crossroads explores and triangulates for the first time the interactions and contacts among these three cultural groups that were brought together by the expanding American empire from 1867 to 1950. Through a comparative
