Sommario/riassunto

How do American girls compose and amend their identities? In this text, prominent scholars in their respective fields examine the complex social and cultural constructions that shape girls' lives both in and out of school. The book looks at matters ranging from embedded issues of class, race, ethnicity, immigrant status, and sexuality to popular culture and personal histories. Exploring the scholarly literature on gender and education, the successes and failures of feminist pedagogy, and girls' practices with both traditional and non-traditional texts, as well as the primary s
