Sommario/riassunto	There are deep and pervasive disagreements today in universities and colleges, and popular culture in general, over the credibility and value of belief in God. This has given rise to an urgent need for a balanced, comprehensive, accessible resource book that can inform the public and scholarly debate over theism. While scholars with as diverse interests as Daniel Dennett, Terry Eagleton, Richard Dawkins, Jurgen Habermas, and Rowan Williams have recently contributed books to this debate, ""theism"" as a concept remains poorly understood and requires a more thorough and systematic analysis
