World cities of sex; 8. Conclusion; Bibliography; Index  |
| Sommario/riassunto      | From the hotspots of commercial sex through to the suburbia of twitching curtains, urban life and sexualities appear inseparable. Cities are the source of our most familiar images of sexual practice, and are the spaces where new understandings of sexuality take shape. In an era of global business and tourism, cities are also the hubs around which a global sex trade is organised and where virtual sex content is obsessively produced and consumed. Detailing the relationships between sexed bodies, sexual subjectivities and forms of intimacy, Cities and Sexualities explores the ro |
