authoritarian regimes. the case of Cuba / Bert Hoffmann --
Reconsidering two myths about civil society. evidence from Afghanistan
/ Kevin Gray.

Sommario/riassunto

This book examines how civil society actors operate under authoritarian constraints, and examines how this is linked to regime change. This book moves beyond traditional notions of civil society and explains the complexity of state-society relations in authoritarian contexts outside the framework of democratization. Rejecting a wholly normative approach, the contributors focus on the whole range of civic activism under authoritarianism, from resistance to support for the political system in place. They explain how activism under authoritarianism is subject to different structur
