Note generali Includes bibliographical references and index. Nota di bibliografia Nota di contenuto pt. 1. Finding narratives of belonging -- pt. 2. Negotiating the shadow of the past -- pt. 3. Communicating cultural security. Questioning the manner in which the reception of sanctuary in modern Sommario/riassunto Australia changes migrants' sense of belonging, this interdisciplinary volume focuses on the disjuncture between receiving sanctuary and feeling secure in one's self and community. With emphasis on the formation and expression of migrant and refugee cultures, the book deliberately blurs the distinction between migrants and refugees, in order to engage more directly with the subjectivities of lived experience

and social networks.
