Sommario/riassunto	Set within the context of the political and ideological developments of the time, History vs. Apologetics examines the role played by the Catholic Church in the rise and consolidation of the Third Reich and in particular with regard to the Nazi persecution of the Jews. David Cymet's comprehensive critical analysis of the polemical literature on the topic makes it possible to separate legitimate history from apologetic allegations and misrepresentations, bringing to light key elements of Church policy intentionally misinterpreted by apologists. By

surveying the Church's policy from prior to the
