Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Originally published: 2009.
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	Hurley sets out a radical challenge to consequentialism, the theory which might seem to be the default option in contemporary moral philosophy. There is an unresolved tension within the theory: if consequentialists are right about the content of morality, then morality cannot have the rational authority that even they take it to have.
