Sommario/riassunto	A solid, theory-to-practice guide to contemporary mezzo and macro social work. Written by a renowned team of scholars, Social Work Practice with Groups, Communities, and Organizations focuses on the contemporary theory and practice of social work. Each chapter delves deeply into the key theoretical considerations surrounding a particular practice area, exploring the clinical implications of each. Spanning the full range of both mezzo and macro practice areas, the authors thoroughly look at the assessment of and interventions with group, community, organizational, and inst
