Sommario/riassunto	International Relations have rarely been considered a synthesis of humanistic and social sciences approaches to understand the complex

connections of a global, and globalizing, world. One of the few scholars to have accomplished this creative blend was Hayward R. Alker. Alker and IR presents a set of visionary and original essays from scholars who have been profoundly influenced by Alker's approach to global studies. They build on the foundation he laid, demonstrating the practicality and usefulness of ethically grounded, theoretically informed and interdisciplinary research

2. Record Nr.	UNINA9910145254403321

analysis : Chantal Akerman's News from home (or a mother--daughter tale of two cities) / Adriana Cerne.

Sommario/riassunto

Psychoanalysis and the Image brings together an influential team of international scholars who demonstrate innovative ways to apply psychoanalytical resources in the study of international modern art and visual representation. Examines psychoanalytic concepts, values, debates and controversies that have been hallmarks of visual representation in the modern and contemporary periods. Covers topics including melancholia, sex, and pathology to the body, and parent-child relations. Advances theoretical debates in art history while offering substantive analyses of
