International Relations have rarely been considered a synthesis of

humanistic and social sciences approaches to understand the complex

Index

Sommario/riassunto

connections of a global, and globalizing, world. One of the few scholars to have accomplished this creative blend was Hayward R. Alker.Alker and IR presents a set of visionary and original essays from scholars who have been profoundly influenced by Alker's approach to global studies. They build on the foundation he laid, demonstrating the practicality and usefulness of ethically grounded, theoretically informed and interdisciplinary research
