Sommario/riassunto

The volume brings together a group of renowned legal experts and activists from different parts of the world who, from international and comparative perspectives, consider the right of indigenous peoples to reparations for breaches of their individual and collective rights. The first part of the book is devoted to general aspects of this important question, providing a comprehensive assessment of the relevant international legal framework and including overviews of the topic of reparations for human rights violations, the status of indigenous peoples in international law and the vision of repar
