Sommario/riassunto

In the years since the Cuban Revolution in 1959, eleven men have served as president of the United States, arguably the most powerful nation on earth. Yet none of them has been able to effect any significant change in the stalemate between the United States and Cuba, its closest neighbor not to share a land border. Fifty Years of Revolution features contributions from an international Who's Who gallery of leading scholars. The volume adopts a uniquely nonpartisan attitude, a departure from this topic's generally divisive nature. Emerging from a series of meetings, confere
