| | Sommario/riassunto | This Handbook breaks new ground by addressing global security through the lens of religion and examining the role religion plays in both war and peace. In recent years there has been a considerable upsurge of public concern about the role of religion in contemporary violence. However, other than historical materials, there has been a relative neglect of the subject of religion and security. The Routledge Handbook of Religion and Security fills this gap in the literature by providing an interdisciplinary, comprehensive volume that helps non-specialists and experts alike under |
