Sommario/riassunto	"Want to know what wilderness means to people who live it for over two thousand miles? Then read this extremely interesting, informative, intelligent, and thoughtful book." -Roger S. Gottlieb, author of

Engaging Voices: Tales of Morality and Meaning in an Age of Global Warming" There is no doubt that Bratton's book will be of value to students and scholars of leisure studies, recreation, and religion. Those who are familiar with the Appalachian Trail sense intuitively that a journey along its length kindles spiritual awakening; this book provides the hard data to
