Sommario/riassunto	Learn how to include multiculturalism in disability-related social work! International Perspectives on Disability Services: The Same but Different presents different cultural and societal contexts on services for people with disabilities. This book covers a range of topics on disabilities related to physical status, emotional conditions, and community settings. This useful introductory reference will help you develop culturally sensitive disability services both locally and overseas, and it

will promote better understanding of people with disabilities. This  
book is a unique e
