Sommario/riassunto	Lindy Edwards powerfully shows how politics can be understood as a passionate confrontation of ideas and ideologies. This book gives us a new and compelling way to think about the past, present, and future of

Australian politics.' - Professor John Dryzek, Australian National University Behind the evening news lies a world of political ideas and passionate conflict. The Passion of Politics unpacks the ideologies and theories which drive these political clashes, helping to explain why we admire some politicians and loathe others. The ideas driving today's politics all have roots in the political
