Sommario/riassunto	The partial defence of provocation is one of the most controversial doctrines within the criminal law. It has now been abolished in a number of international jurisdictions. Addressing the trajectory of debates about reform of the provocation defence across different jurisdictions, Sex, Culpability and the Defence of Provocation considers the construction and representation of subjectivity and sexual difference in legal narrations of intimate partner homicide. Undeniably, the most vexing exculpatory cultural narrative of our times is that of a

woman 'asking for it'. This book explores how th
