Sommario/riassunto In Corruption and Organised Crime in Europe, Gounev and Ruggiero

present a discussion of the relation between organized criminals and

corruption in the EU's 27 Member States. The book draws on research and scholarly work the editors carried out, respectively, within the Center for the Study of Democracy (CSD) in Bulgaria, and within academic institutions, as well as on behalf of the European Commission and the United Nations. Combining empirical data and theoretical debates, the book focuses on three main areas of the relationship between corruption and organised crime: publi
