Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from publisher's bibliographic system (viewed on 05 Oct 2015).
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Based on years of in-depth field research, this book unravels the complexities of the Yemeni state and its domestic politics with a particular focus on the post-1990 years. The central thesis is that Yemen continues to suffer from regional fragmentation which has endured for centuries. En route the book discusses the rise of President Salih, his tribal and family connections, Yemen's civil war in 1994, the war's consequences later in the decade, the spread of radical movements after the US military response to 9/11 and finally developments leading to the historic events of 2011. This book sets a

new standard for scholarship on Yemeni politics and it is essential reading for anyone interested in the modern Middle East, the 2011 Arab revolts and twenty-first-century Islamic politics.
