Sommario/riassunto	Covering archaeology from a range of angles, incorporating history, major themes, theories and methods, Doing Archaeology provides a firm grounding for anyone interested in learning more about the discipline. Throughout the book, key information is accessibly presented and important questions are answered, including: What is archaeology? How did archaeology begin? How can archaeology tell us about the past? How can archaeology tell how people use space and the landscape? How can we use the past to understand people? How do archae
