Sommario/riassunto

Prostitution, Trafficking, and Traumatic Stress offers the reader an analysis of prostitution and trafficking as organized interpersonal violence. Even in academia, law, and public health, prostitution is often misunderstood as "sex work." The book's 32 contributors offer clinical examples, analysis, and original research that counteract common myths about the harmlessness of prostitution. Prostitution, Trafficking, and Traumatic Stress extensively documents the violence that runs like a constant thread throughout all types of prostitution, including escort, brothel, trafficking, stri
