WIDE AWAKE IN THE TWENTY-FIRST CENTURY: PROFICIENCY FOR ALL; Chapter 11. Moving from Sleepwalking to Reawakening the

Sommario/riassunto

Transformation of public education requires the reawakening of the sleeping giant in the room: the learners. Students, teachers, and principals must develop a learner-centric, standards-driven school. *Reawakening the Learner* is a guide to creating just such an environment. Continua describe the journey of teachers, teacher leaders, and principals in partnering with learners. Adult-driven routines must be replaced with learner-centric practices.
