Sommario/riassunto

Explore the relationship between faith-based programs, religion, and offender rehabilitation! This book reports on current research from several disciplines to help the reader understand the nature and impact of the relationship between faith-based programs, religion, and offender rehabilitation. Religion, the Community, and the Rehabilitation of Criminal Offenders is a unique resource?there has been very little research published on this important topic. President Bush's faith-based initiative recognized that religion plays a role in the justice system and corrections that i
