Sommario/riassunto	The fast and easy way to learn to speak Modern Standard Arabic Regarded as one of the most difficult languages to learn for native English speakers, Arabic is gaining global prominence and importance. Recent world events have brought more and more English speakers into contact with Arabic-speaking populations, and governments and businesses are increasingly aware of the importance of basic Arabic language skills. Arabic For Dummies presents the language in the classic For Dummies style. Taking a straightforward and practical approach to this complex language, it's packed with
