Sommario/riassunto	Speaking about racism in the western political climate of the first decade of the twenty-first century is more difficult than ever before. There is a feeling in post-colonial and post-immigration societies that the blatant overt racism of the past is no longer as pressing. Admitting racism elicits discomfort because common wisdom tells us that racism opposes everything that we believe in as citizens of democratic, "civilised" modern states. Yet state racism appears to be here to stay and, in ...
