## Sommario/riassunto

Shatterzone of Empires is a comprehensive analysis of interethnic relations, coexistence, and violence in Europe's eastern borderlands over the past two centuries. In this vast territory, extending from the Baltic to the Black Sea, four major empires with ethnically and religiously diverse populations encountered each other along often changing and contested borders. Examining this geographically widespread, multicultural region at several levels-local, national, transnational, and empire-and through multiple approaches-social, cultural, political, and economic-this volume offers informed a
