Shonk -- Colloquia Familiaria: An Aspect of Ciceronianism Reconsidered / Terence Tunberg -- Ciceronian Echoes in Marsilio Ficino / Valery Rees -- Ciceronian Rhetoric and Oratory from St. Augustine to Guarino da Verona / John O. Ward -- Cicero's Portrait and the Roman Villa / George L. Gorse -- List of Figure Locations / Nancy van Deusen -- Index / Nancy van Deusen.
Sommario/riassunto	Cicero has indeed refused to die, despite the fact that he, in the year 43 BC, was savagely put to death, a preposterous event that brought an end to the long and illustrious career of a lawyer, politician, statesman, praetor, consul, and above all, intellectual, philosopher, writer. His works on The Ideal Orator , On Law , On Academic Life , On Supreme Good and Evil , The Nature of Gods , Foretelling the Future , Destiny , and Duties constituted the basis of a thorough study of Latin for many

centuries of students. One might also, however, conclude that, with the virtual disappearance of Latin as a language that is commonly taught, Cicero might be seen to have suffered a second death; but this is by no means the case. This timely volume explores the many aspects of Ciceronian influence through the Middle Ages—and beyond—on education, literature, and legal training. Contributors are Christopher S. Celenza, Frank Coulson, Nancy van Deusen, George L. Gorse, Michael Herren, Leonard Michael Koff, Valery Rees, Timothy A. Shonk, Terence Tunberg, and John O. Ward.

2. Record Nr.	UNINA9910707823503321
Titolo	Weapon system requirements : detailed systems engineering prior to product development positions programs for success : report to congressional committees
Pubbl/distr/stampa	[Washington, D.C.] : , : United States Government Accountability Office, , 2016
