Walker -- The Significance and Function of References to Christians in the Pauline Literature / Christoph Stenschke -- "We Put No Stumbling Block in Anyone's Path, so that Our Ministry Will Not Be Discredited": Paul's Response to an Idol Food Inquiry in 1 Corinthians 8:1-13 / Christopher D. Land -- Paul, the Corinthians' Meal, and the Social Context / Panayotis Coutsoumpos -- The Christ-Pattern for Social Relationships: Jesus as Exemplar in Philippians and Other Pauline Epistles / Mark Keown -- Honouring Epaphroditus: A Suffering and Faithful Servant Worthy of Admiration / H.H. Drake Williams III -- Index of Modern Authors and Editors --

Pauline scholars have always been interested in Paul's relationships. In fact, some of the most influential developments in modern Pauline scholarship have been attempts to situate Paul socially. This volume addresses many of the questions surrounding Paul and his social relations, including how to define and analyze such relations, their relationship to Paul's historical and social context, how Paul related to numerous friends and foes, and the implications for understanding Paul's letters as well as his theology. As a result, a variety of methods are brought to an examination of Paul. These include explorations in social-scientific methodology, close readings of Paul's letters, and linguistically informed approaches to social relations. The conclusions well illustrate the importance of Paul's social relations and his own social connectedness.
