Case Vignettes; II. Problems in the Management of Allegations; Index
Sommario/riassunto	Sexual Abuse in Residential Treatment provides comprehensive information on behavioral manifestations of sexual abuse in residential settings and the safety and developmental needs, staff training, and management strategies necessary to protect both residents and staff. Chapters containing vivid case studies that describe problematic episodes, discussions of research projects, and proposals for agency sexuality policies, safe facility management, and staff training contribute to a balanced presentation of the framework in which sexual
