To Save "Free Vietnam" and Lose Our Souls: The Missionary Impulse, Voluntary Agencies, and Protestant Dissent against the War, 1965-1971; 14. In the Modern World, but Not of It: The "Auca Martyrs," Evangelicalism, and Postwar American Culture; 15. Evangelists of Destruction: Missions to Native Americans in Recent Film; Notes; Contributors; Index</p>
Sommario/riassunto	<p>This volume is the first to examine at length and in detail the impact of the missionary experience on American cultural, political, and religious history. This collection of 15 essays provides a fully developed account of the domestic significance of foreign missions from the 19th century through the Vietnam War. U.S. and Canadian missions to China, South America, Africa, and the Middle East have, it shows, transformed the identity and purposes of their mother countries in important ways. Missions provided many Americans with their first significant exposure to non-West</p>
