Sommario/riassunto	""Focusing on the specific ingredients that activate clinical change, this book is enhanced by current research, more ample scope, and an array of contributions in contemporary and relevant topic areas. It is full of inspiration, direction, and grounding. This is a stunning contribution to the field of child therapy."" -Eliana Gil, PhD, Gil Institute for Trauma Recovery and Education A practical look at how play therapy can promote mental health wellness in children and adolescents Revised and expanded, The Therapeutic Powers of Play, Second Edition explores t
