Sommario/riassunto	The premise of this guidebook for teacher educators, school professionals, and in-service and pre-service teachers is that bullying occurs because of breakdowns in relationships. The focus of the 10-point empirically researched anti-bullying program it presents is based on building and repairing relationships. Explaining how to use social architecture to erase bullying from classrooms, this book translates research into easily understandable language provides a step-by-step plan and the tools (classroom exercises, activities, practical strategies)
