| Sommario/riassunto | How can adults in Early Years settings and primary schools fully embrace the diverse nature of family life of the children they are working with? This essential text will help students and those already working with children to understand both theoretically and practically, what may constitute a 'family'. It explores how to build relationships with a child's family to ensure early years settings and schools are working in partnership with children's home environments, thereby supporting the best possible learning outcomes for children. It will help the reader to develop their |
