Sommario/riassunto

Implement prevention interventions and policies to curb the cycle of violence in our schools! Kids and Violence: The Invisible School Experience examines overt and covert violence occurring in the school setting involving students, school personnel, and school policy, and highlights a level of violence that is often hidden, ignored, or subtly tolerated. This book provides the latest research findings on various issues of violence in our schools. It also shows what happens when the adults responsible for the well-being of our children are actually perpetrating violence, staying silen
